Good afternoon:

In light of the recent attack in San Bernardino and moving into the Holiday season, I want to assure you that the Los Angeles Police Department is remaining vigilant against any threats in an effort to keep the community safe. For this to be successful it has never been more important to keep the lines of communication open as we share in our partnership. Should you become aware of anything that might cause your concern please don't hesitate to contact me.

In addition, my staff would be happy to assist you with security assessments, business walk-throughs and "active shooter" presentations to better prepare your employees. To schedule this, please contact either Sergeant Robert McDonald or Officer Chris Cox at Operations-West Bureau, [\(213\) 473-0277](tel:2134730277).
